How to approach?

7. Januar 2020

Dear Colleagues,

Greetings from the xxx.

Our University is the country's most representative public institution of higher education. We have nine campuses: (...), and five (...). Our institution covers most of the knowledge areas and has xx Colleges, xx Departments, xx Schools, xx Research Centers and Institutes, xx Museums, xx Astronomical Observatories, and a Music Conservatory. According to the QS World University Rankings, our University is number xx in the world.

We currently have education agreements with more than 70 % of the countries around the world. In addition, we have signed more than 10 Erasmus+ Agreements (ICM) with universities in Germany, Spain, Portugal, France, and Poland. In line with this, we have an interest in co-operating through new Erasmus+ Projects with recognized European institutions like yours.

Attached is a short presentation on our University. We hope you find this input useful for establishing synergies and considering our University to prepare Erasmus Projects for February 2020.

Please, do not hesitate to contact us in case you have any further questions.

Yours faithfully,

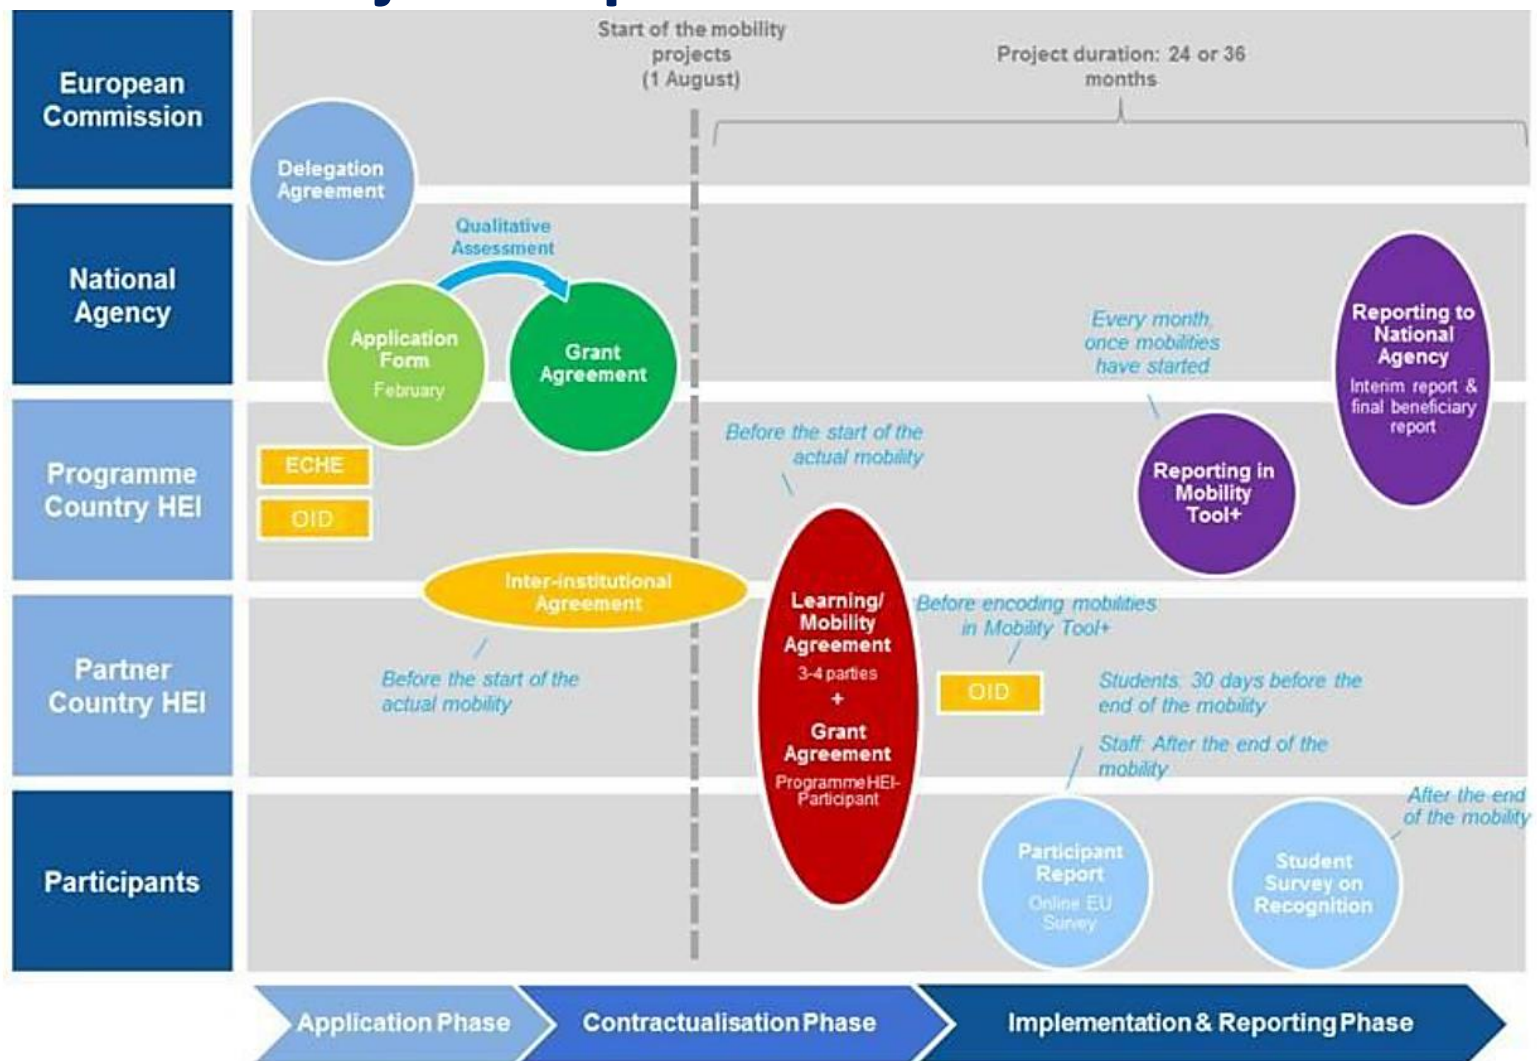

What do you think about this example?
